**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My names are Mr. Ho Siao Hong, Ph.D. and Diplom-Mathematiker. My information is

1709 South Valencia Street
Alhambra, California 91801
Telephone: 626-308-3019

I oppose the USTelecom petition.

Thank you for your attention and support fair competition.

The reason is self-evident: COMPETITION KEEPS THE PRICE DOWN.

With sonic.net I pay \$66 monthly for internet and home phone services. No other ISP can offer me such a price!

Small business like sonic.net is a highly successful Internet Service Provider (ISP) based in Santa Rosa, California.

Yet sonic.net has been successfully competing against the big ISP such as Spectrum and AT&T just to name two of the many ISP. Therefore, the latter lobby the current Trump administration to eliminate fair competition.

Sincerely,

Ho Siao Hong, Ph.D. and Diplom-Mathematiker
